

Winter Season Sponsorships

The **Seminole High School Color Guard Team** gearing up for the 2024 competition season. Our team has a long history of success, and we work really hard to keep that tradition going.

We are reaching out to you because we need business partners to help support our team this year. Your tax-deductible donation will be used to purchase new equipment and provide scholarship opportunities to students who otherwise do not have the means to participate.

I know the last few years have been a challenge for everyone and truly appreciate any support you can offer my team. We work hard to be the best we can be, but we can't do it without the help and support of our community.

This is a special year, as it is our first time in 4 years traveling out of state for WGI Championships in Dayton, OH. These girls work very hard and are grateful for this opportunity.

Please consider supporting our team!
